

# Meet the wine

2010

living sky  
winery

## table wines - 750mL

# raspberry

fruit wine/vin de fruit

**raspberry** is the kind of wine equally at home on a deck after work or sharing a great meal with friends. A sweetheart with a dry sense of humour, **raspberry** boasts a great set of legs and has an easy going personality you'll want to introduce to friends.

\$16.99

# rhubarb

fruit wine/vin de fruit

**rhubarb** brandishes a dry wit that is a hit at pretty much any occasion. Despite a fondness for seafood and pasta, **rhubarb** still manages to boast a great body and unique prairie personality that people will remember and talk about.

\$16.99

# strawberry rhubarb

fruit wine/vin de fruit

**strawberry rhubarb** is a true prairie soul with a sweet personality and an appreciation of tradition. Comfortable attending a picnic or sitting on the deck, **strawberry rhubarb** loves the outdoors and thrives in the company of good friends and home-cooked food.

\$16.99

## dessert wines - 375 mL

### fram boise

raspberry wine/  
vin de framboise

**framboise** may be richer than cousin Raspberry but shares the same fresh outlook on life.

**framboise** likes to live a bit decadently and indulge in the the finer things in life, but still remains approachable to all and is enchantingly sweet and fun to be around.

\$20.99

### *port-style* juli<sup>e</sup>tt

cherry wine/  
vin de cerise

**juli<sup>e</sup>tt** is richly romantic, and loves a good story, a warm fire and dark chocolate. A true believer in love, **juli<sup>e</sup>tt** is sweet yet still complex, with a sophisticated presence and an old-world charm that is always popular, always friendly and never disappoints.

\$22.99

## Meet Us

Dreamers with a love of the prairies and a passion for wine, we make exceptional artisan wines out of fruit produced under the living skies.
